

Dear Valued Customer,

We are pleased to inform you that Advanced Architectural Products (A2P) proudly **manufactures its GreenGirt CMH™ continuous insulation and SMARTci® building enclosure systems in the United States of America.** At A2P, we believe in the importance of supporting local communities and ensuring that our products meet the highest quality standards. All stages of the production process, from sourcing raw materials to final assembly, take place at our facilities located in Allegan, MI, and Hamilton, MI, with warehousing available in Seattle/Sumner, WA.

Thank you for choosing Advanced Architectural Products. We remain committed to providing you with products made with integrity and craftsmanship in the USA.
